## 2 Committee reports

### 2.1 President

**Events** Emerging tech party: went alright, we didn't do much.

KPMG talk: attendance was good, Oxford Guild helping to promote was good. \*

TPP pub quiz: the event was good, I feel that the open bar helped. We had good attendance. They'd branded it as a coding quiz, but was more of a maths quiz than anything. Next time I'd suggest they make the problems more programming-related.

**Events that didn't happen** Geek Night themes – if anyone has ideas, let me know.

Ben: Network themed one: "port and policy".

Ed: Next week. †

**Some money-related things** We'll get more deals from Dominos.

Tom: We should be able to get 50% off vouchers.

Ed: We consume  $5\frac{1}{2}$  sponsorships in pizza each year.

We've bought a new drone to replace the one whose camera died.

We've ordered more stash.

**Miscellaneous** Fixed some stuff.

Leanne suggested we reconsider our links with Palantir.

---

\* Oxford Guild is the business society, i.e. they have no souls.

† Secretary note: it did not happen the following week ;-;

**Future** We want to get more sponsors, keep TPP, get Semmle back, get Arista (basically an Irish Metaswitch) etc.

We'd like to introduce a tiered sponsorship.

We're going to get a new banner for Freshers' Fair.

## 2.2 Secretary

**Nothing interesting happens.** There was an order of stash. I've started taking minutes.

## 2.3 Treasurer

Current balance = £8089.39, including the £6,000 we owe Google. We're trying to give that money back.

We currently owe £357.08. (+£6000 to Google)

**Amount spent this term:** £1393.46

**Income this term:** +£15 from 3 new members

Expecting +£500 from KPMG and +£250 from TPP.

**Notable expenditures this term** Drone: £53.99

Stash: £221.50

## 3 Other motions

- Adopt last meeting's minutes.

ACCLAIMED

## 4 Any other business

- No.
