Wednesday 28th February – 7PM – Dept. of Computer Science
- Week 8** **Annual General Meeting**
Wednesday 7th March – 7PM – Dept. of Computer Science
- Every week** **Learn to Code**
Thursdays (Weeks 2 to 7) – 7PM – Dept. of Computer Science

Our introductory programming course is aimed at complete beginners, so no prior experience is necessary. Updates and events can be found on our Learn to Code Facebook group.

- Every week** **Geek Night**
Saturdays (Weeks 0 to 8) – 7PM to Late – Dept. of Computer Science

Every week CompSoc hosts Geek Night, a social event with coding. Always plenty of food and drink are provided and a great chance to socialise with other geeks.
