

Know No Limits

Software Engineering / Quantitative Research
/ Investment & Trading

Face some of the most complex challenges of our time and test the limits of your talents alongside highly skilled teammates. We give you more responsibility and back you with greater resources than other firms because we realize your potential for greatness.

OXFORD INFORMATION & NETWORKING SESSION

October 28 Information & Networking Evening 7:30—9:00 PM

Join us to learn more about Citadel & Citadel Securities through a deep dive into our businesses, as well as hearing about our roles available across our full time, internship and spring programmes. We'll also be hosting a Q&A Panel from our teams within Software Engineering, Quantitative Research and Trading.
