Hello there!

Google is proud to be collaborating with MyPlus, to invite you to our event celebrating and supporting students with disabilities or long term health conditions. During the event, you'll have the chance to network with other students, meet Googlers from our Ability Network, enjoy a talk on the topic of accessibility at Google and a panel discussing using your disability to your advantage and positioning it positively.

Who can apply?
This program is open to all higher education students in EMEA **graduating in 2021, 2022, 2023 or 2024.** You do not have to identify as a person with a disability in order to attend.

There are two tracks for areas of study to be eligible for this event. Either you will be studying a Computer Science or a related degree and interested in a role in tech, or for the business side, you must be interested and have experience in sales, customer support, account management, marketing or business background and also (for the business students only) it would be a bonus if you speak one of the following languages; Norwegian, Swedish, Finnish, Danish, Romanian, Estonian, Latvian, Lithuanian, Polish, Hungarian, Bulgarian, Greek, Ukrainian, Croatian, Czech, Lithuanian, Slovak, French, Italian, Spanish, Portuguese, Greek or Hebrew.

What is a disability, am I included?
Students with a disability or long term health conditions are encouraged to apply, these could be including but not limited to physical disabilities, mental health or neurodiverse conditions.

This event has limited spaces, so please register by 23rd February 2021 for a chance to be selected. All applicants will be notified by 9th March 2021.
