

## Oxford and Cambridge Summer School

ARE YOU A GRADUATE OR A POSTGRADUATE INTERESTED IN TUTORING?

RAISE MONEY FOR YOUR FAVOURITE CHARITY!

The Oxford and Cambridge Summer School is run by the social enterprise OxFizz. 100% of our profits go to good causes: **a charity of your choice**, and our Bursary Programme for less advantaged pupils.

GAIN VALUABLE TEACHING EXPERIENCE!

Our bright, motivated international students are aged between 16 and 18. We offer a range of teaching opportunities: small group tutorials, one-on-one tutorials and larger groups. **We offer the exciting opportunity to design your own course**, so you can pick something you're really interested in. Our training programme, designed with the help of an Oxford tutor, will equip you with the skills to create and deliver a successful two-week course, as well as transferable teaching skills.

TUTORIALS

We are recruiting Oxford and Cambridge **postgraduate students** to deliver challenging and exciting tutorials in the following subjects:

- Economics
- English
- Law
- Psychology
- Engineering
- History
- Molecular Medicine

Not undertaking postgraduate study? Is your subject not on this list? You might be interested in volunteering for our Afternoon Seminar Series...

AFTERNOON SEMINARS

We are looking for enthusiastic Oxford and Cambridge **graduates** to deliver seminar series on the following topics:

- Psychology
- Engineering
- Creative Writing
- Sociology
- Ethics and Philosophy
- Current Affairs

Go to [www.oxfordandcambridgesummerschool.co.uk](http://www.oxfordandcambridgesummerschool.co.uk) for a general outline of each of these courses. We have kept the descriptions purposefully vague in order to give you the maximum freedom to be creative with your course design.

DATES

We are running two summer schools, and you can volunteer on one, or both, of these:

- 6<sup>th</sup> July – 20<sup>th</sup> July
- 21<sup>st</sup> July – 2<sup>nd</sup> August

Both summer schools will take place in Oxford. Unfortunately, we cannot provide accommodation for tutors, so the positions would best suit those already based in Oxford.

INTERESTED IN FINDING OUT MORE?

We'd love to hear from you! Email Harriet at [harriet.ackland@oxfizz.org](mailto:harriet.ackland@oxfizz.org).
